

**RESOLUTION
OF
BOARD OF DIRECTORS OF
ACADIANA LEGAL SERVICE CORPORATION**

**In Support of Enhanced Private Attorney Involvement
with LSC-Funded Programs**

Whereas, the Legal Services Corporation and the programs it funds, including Acadiana Legal Service Corporation, have long recognized that the overarching values of private attorney involvement to LSC-funded programs are increased access, increased human and capital resources, and increased *pro bono* commitment; and

Whereas, at its April 2007 meeting, the Board of Directors of the Legal Services Corporation adopted Resolution 2007-003 supporting and encouraging private attorney involvement and urging governing boards of LSC-funded programs to collaborate with other organizations to effectively engage lawyers in *pro bono* representation and other services that benefit low-income persons; and

Whereas, the LSC Board of Directors resolution builds upon the following national LSC initiatives:

- The October 2005 LSC report, *Documenting the Justice Gap in America: The Current Unmet Civil Legal Needs of Low-Income Americans*, which found that 50 percent of the potential clients requesting assistance from an LSC grantee were turned away for lack of resources on the part of the program;
- The *LSC Strategic Directions 2006-2010*, which calls upon LSC to increase public awareness of and support for legal services to low-income persons in order to respond appropriately to more of their legal needs;
- The *LSC Performance Criteria* which consider, in evaluating a program's legal representation and other activities intended to benefit the low-income population in its service area, whether that program effectively integrates private attorneys into its work in order to supplement the amount and effectiveness of its representation and other services;
- The Provision for the Delivery of Legal Services Committee of the LSC Board of Directors 2006 meetings, which highlighted the potential, opportunities and challenges of private attorney involvement and determined ways in which this critical resource can be used more effectively by LSC-funded programs as a means to help close the justice gap;
- The unanimous adoption in January 2007 by LSC Board of Directors of a strategic work plan entitled *Action Plan for Private Attorney Involvement: Help Close the Justice Gap, Unleash the Power of Pro Bono*, which highlights the benefits of engaging private attorneys to help represent clients of LSC-funded programs and describes ways in which the LSC Board and staff will work to expand private attorney involvement;
- The American Bar Association's Model Rule 6.1 and similar state bar rules note the professional responsibility of every lawyer to provide *pro bono* legal assistance to persons of limited means.

Whereas, in the State of Louisiana,

- Rule 6.1 of the Louisiana Supreme Court Rules of Professional Conduct reaffirms the professional aspirational goal of every lawyer to provide pro bono legal assistance to persons of limited means.
- The Louisiana State Bar Association, through its Access to Justice Committee, encourages expansion of organized pro bono projects as well as creation of new pro bono initiatives.

Whereas, in its service area,

- ALSC has a long-standing collaborative relationship with ongoing pro bono efforts through Lafayette Volunteer Lawyers, the Central Louisiana Pro Bono Project, and the Southwest Louisiana Pro Bono Program.

Now, Therefore, Be It Resolved that the Board of Directors of Acadiana Legal Service Corporation, in an effort to help close the justice gap in the State of Louisiana, supports and encourages private attorney involvement with Acadiana Legal Service Corporation and will endeavor to:

- Collaborate with other organizations and entities in the ALSC service area to develop and facilitate educational efforts that demonstrate the extent of the unmet civil legal need and encourage collective responsibility within the ALSC service area by both public and private entities to help meet this unmet civil legal need;
- Collaborate with other organizations and entities in the ALSC service area to develop effective strategies for engaging lawyers in pro bono representation and other services that benefit low-income persons;
- Consider including in that collaboration organizations and entities such as local bar associations, the Louisiana State Bar Association, the Young Lawyers Divisions of those bars, the Access to Justice Program of the Louisiana State Bar Association, and
- Develop strategies that encourage pro bono, including creative recruitment methods and delivery models, attorney practice and continuing legal education rules, and training, mentoring, support, and recognition of volunteers.

Be It Further Resolved that the Board of Directors of Acadiana Legal Service Corporation will promote, support, and encourage private attorney involvement initiatives by publicizing and recognizing private attorney involvement in the work of Acadiana Legal Service Corporation and by collaborating with national, state and local organizations to create opportunities for such publicity and recognition.

Adopted by the Board of Directors of Acadiana Legal Service Corporation on _____.
