

**RESOLUTION
OF
THE BOARD OF DIRECTORS
OF
COMMUNITY LEGAL SERVICES OF MID-FLORIDA, INC.**

**In Support of Enhanced Private Attorney Involvement
With LSC-Funded Programs**

Whereas, the Legal Services Corporation (LSC) and the programs it funds, including **Community Legal Services of Mid-Florida, Inc.** have long recognized that the overarching values of private attorney involvement to LSC-funded programs are increased access, increased human and capital resources, and increased *pro bono* commitment; and

Whereas, at its April, 2007 meeting, the Board of Directors of the Legal Services Corporation adopted Resolution 2007-003 supporting and encouraging private attorney involvement and urging governing boards of LSC-funded programs to collaborate with other organizations to effectively engage lawyers in *pro bono* representation and other services that benefit low-income persons; and

Whereas, the LSC Board of Directors resolution builds upon the following national LSC initiatives:

- The October, 2005 LSC report, *Documenting the Justice Gap in America: The Current Unmet Civil Legal Needs of Low-Income Americans*, which found that 50 percent of the potential clients requesting assistance from an LSC grantee were turned away for lack of resources on the part of the program;
- The *LSC Strategic Directions 2006-2010*, which calls upon LSC to increase public awareness of and support for legal services to low-income persons in order to respond appropriately to more of their legal needs;
- The *LSC Performance Criteria*, which consider, in evaluating a program's legal representation and other activities intended to benefit the low-income population in its service area, whether that program effectively integrates private attorneys into its work in order to supplement the amount and effectiveness of its representation and other services;
- The Provision for the Delivery of Legal Services Committee of the LSC Board of Directors 2006 meetings, which highlighted the potential, opportunities and challenges of private attorney involvement and determined ways in which this critical resource can be used more effectively by LSC-funded programs as a means to help close the justice gap;
- The unanimous adoption in January 2007 by LSC Board of Directors of a strategic work plan entitled *Action Plan for Private Attorney Involvement: Help Close the Justice Gap, Unleash the Power of Pro Bono*, which highlights the benefits of engaging private attorneys to help represent clients of LSC-funded programs and describes ways in which the LSC Board and staff will work to expand private attorney involvement.
- The American Bar Association's Model Rule 6.1 and similar state bar rules note the professional responsibility of every lawyer to provide *pro bono* legal assistance to persons of limited means;

Whereas, in Florida the Supreme Court of Florida has recognized the vast unmet legal needs of the poor in Florida, and further, the Rules Regulating The Florida Bar state that each member of the bar, as part of the member's professional responsibility, should (1) render pro bono legal services to the poor and (2) participate, to the extent possible, in other pro bono service activities that directly relate to the legal needs of the poor;

Now, Therefore, Be It Resolved that the Board of Directors of **Community Legal Services of Mid-Florida, Inc.**, in an effort to help close the justice gap in **Florida**, supports and encourages private attorney involvement with **Community Legal Services of Mid-Florida, Inc.**, and will endeavor to:

- Collaborate with other organizations and entities in Florida's legal services Region III, composed of Brevard, Citrus, Flagler, Hernando, Lake, Marion, Orange, Osceola, Putnam, Seminole, Sumter, and Volusia counties, to develop and facilitate educational efforts that demonstrate the extent of the unmet civil legal need and encourage collective responsibility with in Region III by both public and private entities to help meet this unmet civil legal need;
- Collaborate with other organizations and entities in Region III to develop effective strategies for engaging lawyers in *pro bono* representation and other services that benefit low-income persons;
- Consider including in that collaboration organizations and entities such as The Florida Bar, the local county bar associations in Region III, the Volusia Civil Trial Attorneys, the Central Florida Bankruptcy Association, the Central Florida Association for Woman Lawyers (CFAWL), the Orlando chapter of the Federal Bar Association, the Hispanic Bar Association of Central Florida, the Paul C. Perkins Bar Association, the Central Florida Gay & Lesbian Law Association, the Volusia-Flagler Women's Lawyers Association, Barry University Law School, FAMU Law School, and state and federal courts; and
- Develop strategies that encourage *pro bono*, including creative recruitment methods and delivery models, attorney practice and continuing legal education rules, and training, mentoring, support, and recognition of volunteers.
- **Be it Further Resolved** that the Board of Directors of **Community Legal Services of Mid-Florida, Inc.** will promote, support and encourage private attorney involvement initiatives by publicizing and recognizing private attorney involvement in the work of **Community Legal Services of Mid-Florida, Inc.** and by collaborating with national, state and local organizations to create opportunities for such publicity and recognition.

**Adopted by the Board of Directors of Community Legal Services of Mid-Florida, Inc.
on October 25, 2007.**
